Build A Connected Bharat

CURRENT SITUATION

- 5M+ visitors have explored the museum
- World-class collection of India’s heritage, culture and civilisation.
- Strong foundation of physical infrastructure and educational programs.
- Growing interest in cultural tourism and digital engagement.

KEY CHALLENGES

- Passive visitor experience - limited hands-on engagement.
- Low repeat visits and weak community connection.
- Limited digital reach and personalization.
- Dependence on ticket revenue with untapped monetization opportunities.

ROOT CAUSES

- Traditional, passive museum design.
- Limited integration of technology in storytelling.
- Fragmented marketing and partnerships.
- Lack of financial diversification.
- Weak sense of personal ownership among diverse visitor segments.

NORTH STAR METRIC

ENGAGED HERITAGE VISITORS (EHV)

The number of unique visitors who meaningfully engage with the museum across physical and digital touchpoints.

STRATEGIC RECOMMENDATIONS

- Digital Companion (App) - Personal, interactive museum experience.
- Digital Marketing & Partnerships.
- Festival & Community Programs.
- AI Interactive Kiosks.
- BHM Quest - Gamified learning.
- Heritage Merchandise.
- Membership Ecosystem.
- AR/VR Storytelling.

STRATEGIC TRANSFORMATIONS

- Passive Exhibits
- Limited reach beyond physical visitors
- Low repeat visits
- Single revenue system
- Program centric

- Interactive Experiences
- Global digital presence via app & partnerships
- Higher frequency through gamification and community
- Diversified revenue
- Always-on engagement

EXPECTED IMPACT

- 1.2M+ Annual unique visitors
- 60%+ Revenue from non-ticket sources
- 30% increase in visitor repeat rate
- >=40% Digital engagement rate
- >=60 Net Promoter Score

Measurement

Key frameworks, assumptions and references that support our strategy

1. RICE FRAMEWORK

RICE Score = (Reach × Impact × Confidence) / Effort

- Reach & Impact scored on a scale of 1-10
- Confidence scored as a percentage(%)
- Effort measured in person-months(PM)
- Used to prioritize initiatives objectively

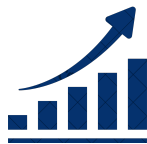

2. NORTH STAR METRIC

ENGAGED HERITAGE VISITORS (EHV)

The number of unique visitors who meaningfully engage with the museum across physical and digital touchpoints.

Why this metric?

- Captures quality of engagement,not just footfall
- Drives repeat visits, loyalty and revenue
- Aligned with museum’s mission & long-term impact

3. KPI DEFINITIONS

- Visitor Growth : Increase in annual unique visitors
- Repeat Visit Rate: % of visitors who visit more than once
- Digital Engagement Rate: % of visitors engaging via digital platforms
- Membership Conversion Rate: % of visitors who become members
- Revenue per visitor: Total revenue / total unique visitors
- NPS: Net Promoter Score from visitors
- Non-Ticket Revenue Share: % revenue from non-ticket sources

4. KEY ASSUMPTIONS

- Digital engagement rate to reach 40% by Year 5
- Membership conversion rate 15% by Year 5
- Repeat visit rate to reach 35% by Year 5
- Non-ticket revenue share to reach 40% by Year 5
- All initiatives executed in 3 phased roadmap over 36 months
- RICE scores and efforts are based on internal estimates and industry benchmarks

5. RISKS & MITIGATIONS

RISK	MITIGATION
Low digital adoption	On-ground onboarding, QR codes, volunteers,simple UX
Low participation in programs	Gamification,school & college partnerships,community outreach
Budget constraints	Phased rollout, priority-based investments, partnerships & grants
AI/content inaccuracies	Curator-reviewed content, continuous updates
